RESPONSE TO RESTRICTION REQUIREMENT

Sir:

In an Office Action dated November 20, 2009, the Examiner imposed a restriction requirement, which requires the election of one of the following four groups of claims for prosecution in the present application:

I. Claims 1-4, drawn to a system for facilitating synchronizing transponder information;

II. Claims 5-8, drawn to a personalization system;

III. Claim 9-11, drawn to a method for personalization; and

IV. Claims 12-16, drawn to a method for facilitating synchronization transponder information.

In response to the restriction requirement, Applicants elect, without traverse, to prosecute the claims of Group I in the present application. That is, Claims 1-4 are elected for prosecution in the present application.

An early and favorable examination of those claims on the merits is respectfully requested.

No petition to extend the time for response to the Office Action is deemed necessary for this Amendment. If, however, such a petition is required to make this Amendment timely filed, then this paper should be considered such a petition and the Commissioner is authorized to charge the requisite petition fee to Deposit Account 50-3939.

Applicant's undersigned attorney may be reached in our New York office by telephone at (212) 218-2100. All correspondence should continue to be directed to our below listed address.

Respectfully submitted,
